

AMERICAN COMMUNITY  
TELEVISION

January 8, 2013

To Whom It May Concern:

This is a letter of recommendation for Amy Harding. Amy has worked on an as-needed basis for American Community Television (ACT) for the past year.

ACT is a 501 (c)(4) organization that educates and advocates on behalf of Public, Educational and Government (PEG) access television across the country. Our primary work is in Washington, DC, but ACT also assists people in their local communities with issues important to PEG.

Amy has provided ACT assistance with its website, creating new content and graphics for it, as well as managing code and making sure it is up to date. Amy has a good eye for graphic creation and is able to provide advice to ACT on what works or doesn't work in the layout of the website.

Additionally, because of her video editing experience, ACT hired Amy to provide post-production editing to two PSA's that we had created.

Amy has a good work ethic and is helpful in every way. Her work is timely and when she makes a commitment to a project, she sees it through. We gladly recommend her for any position she chooses to pursue.

Sincerely,

Bunnie Riedel, Executive Director  
American Community Television
